February 13, 2024

To: Yuco Gin, Sunshine Gin, River Cooperative Gin, Pinal Gin, Farmers Gin, Mesa  
Farmers Gin & ACRPC Supervisors

Good afternoon,

Due to recent weather events, please be advised, a fifteen-day extension has been granted to Maricopa and Pinal County growers in Zones D and E. The plow down February 15<sup>th</sup> deadline has been extended to March 1, 2024.

Weekly gin reports will continue to be distributed to the gins. Growers should continue to work with their field supervisors to come into compliance as soon as possible. It should be noted that growers must still adhere to a fifteen-day waiting period planting date following completion of certification of plow up.

Thank you for your assistance in this matter.

Sincerely,

Paul Ollerton
